

AQUANATURE SYSTEM HYDRO

Refreshing care series for dehydrated skin.

The skin needs moisture to remain supple and appealing. If its water content drops, skin becomes brittle and has more wrinkles caused by dryness. After the age of 30, the skin requires care products that counteract dehydration and bind moisture. Properly hydrated skin retains its tone longer. The AQUANATURE systematic care series is vegan. It provides care with a moisture depot at the first sign of wrinkles and to dehydrated skin that requires regeneration. Stem cells from papyrus and other precious, natural nourishing substances prevent wrinkles due to dryness and support the skin's elasticity. Leaves your complexion radiant and smoother.

Refreshing Cleansing Mousse

Botanical surfactants cleanse your skin gently and thoroughly. Certified organic aloe vera, sugar beet extract and botanical hyaluronic acid moisturize your skin gently and thoroughly. Leaves skin feeling refreshed.

Revitalizing Rehydration Serum

Aloe vera, green algae extract and hyaluronic acid provide intense moisture. Willowherb refines the skin's pores. Leaves skin radiant and refreshed.

Smoothing Day Cream light

Papyrus stem cells fortify the skin's barrier and when used with botanical hyaluronic acid and glasswort extract, rehydrate the skin. The silky light cream-gel is an ideal primer for make-up.

Smoothing Day Cream

Papyrus stem cells fortify the skin's barrier and when used with botanical hyaluronic acid and glasswort extract, rehydrate the skin. The creamy texture creates an ideal primer for make-up.
